## HAPPY TALES EBOOKS 2019

Author: Diane de Mere

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

After moving to Seattle in 2004, I was searching for ways to manage stress and find peace and joy. This story is set against a background of changing careers and relationships with elderly parents, with wonderful animal stories along the way. It is a story about living in nature in the Pacific Northwest with bald eagles (Abby and Abe), loons, otters, deer, and orcas. You'll read about the antics of our two rescued malamutes, King and Sabre, and our trip to Seattle from Los Angeles via RV with our rescued dog, Annie, and rescued cats. This book is a compilation of thoughts, daydreams, poems, and notes in a journal spanning ten years. The immense beauty that surrounded me became the force that helped me transition from being a successful but stressed-out corporate trainer to the person I wanted to be: someone who was able to handle the stress of frustrations, demands, disappointments, and personalities. It is an open monologue of what I did and how I did it. For you, my journal is meant as an example of how to find peace, laughter, and beauty in your day. It is a shining path a lighted journey we can choose to follow that lifts us upward and onward with hope, faith, love, and peace.
