## HARVESTING FOR ETERNITY EBOOKS 2019

Author: Jerry Crane

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

God makes us free to accept.

□Why does God let us do the things we do?

□Do you want freedom and be told how to live at the same time?

□Do you agree that most people mess up their lives because they feel they are no good?

God's grace helps us become real. It's a friendship between God and me (or you). As this friendship becomes more real, we can begin to see that we are built created by God for something infinite. This means we are built to last forever and to be forgiven when we do wrong. When someone loves us this much, we swallow our pride, we make a commitment and something happens that affects our whole life and those we come in contact with. - Jerry Crane
