HATRED EBOOKS 2019

From the bestselling author of *Why Catholics Are Right*, a new book examining the history, reasoning, theology, and politics behind the great genocidal phenomenon of modern times: the Islamist war on Christianity. Christians are the most persecuted identifiable group on earth. This is not the opinion of some but the informed view of most -- including the United Nations. What is seldom admitted, however, is that the vast majority of the nations that carry out the oppression, intolerance, violence, rape, and murder are Islamic. While Christians suffer in North Korea and parts of India, it is in Pakistan, Iran, Saudi Arabia, Iraq, Egypt, Turkey, and even Indonesia and Malaysia where the situation is dark and becoming worse. The statistics and stories are truly terrifying in proportion and degree and as Islam expands and becomes increasingly aggressive, fundamentalist, and confident, Christian minorities live in fear and face a bleak future. *Hatred* outlines the history of the relationship between Islam and Christianity, explains what Islam actually teaches about the Christian faith, and gives numerous examples of the experience of Christians throughout the Islamic world. It explains not only what happens, but why it happens, and deliberately challenges the comforting but false idea that all of this is somehow an aberration and contrary to Islamic thought.
