HIS POWER IN MY WORDS EBOOKS 2019

Author: Karen L. Northern

I was prompted to write again and not allow my thoughts to lie dormant in my mind, the Lord came quickly to persuade me through His Spirit, His people, and His Word to propel me into my next door. This was a door I previously closed through disobedience and allowed the busyness of life to be the reason for not opening it again. I had always been told that I could "turn a phrase" or that I had a "quick mind," but I know I walk through this open door only through His grace and mercy. His Spirit gave my mere words life; to speak to others and ignite the fire in my soul. Every bit of doubt preventing my spirit from being shifted from its rightful and primary place was burned away. I am eternally grateful for the voice of God and His sanctifying sound that pierced through the clutter in my mind to give me the nudge I needed to express His Power in My Words!
