ON BIBLICAL POETRY EBOOKS 2019

Author: F.W. Dobbs-Allsopp

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

On Biblical Poetry takes a fresh look at the nature of biblical Hebrew poetry beyond its currently best-known feature, parallelism. F.W. Dobbs-Allsopp argues that biblical poetry is in most respects just like any other verse tradition, and therefore biblical poems should be read and interpreted like other poems, using the same critical tools and with the same kinds of guiding assumptions in place. He offers a series of programmatic essays on major facets of biblical verse, each aspiring to alter currently regnant conceptualizations in the field and to show that attention to aspects of prosody--rhythm, lineation, and the like--allied with close reading can yield interesting, valuable, and even pleasurable interpretations. What distinguishes the verse of the Bible, says Dobbs-Allsopp, is its historicity and cultural specificity, those peculiar encrustations and encumbrances that typify all human artifacts. Both the literary and the historical, then, are in view throughout.

The concluding essay elaborates a close reading of Psalm 133. This chapter enacts the final movement to the set of literary and historical arguments mounted throughout the volume--an example of the holistic staging which, Dobbs-Allsopp argues, is much needed in the field of Biblical Studies.

Nice ebook you must read is On Biblical Poetry Ebooks 2019 ebook any format. You can get any ebooks you wanted like AFFINITYREPORTS.COM in simple step and you can Free PDF it now.

We're the leading free Book for the world. Platform is a high quality resource for free Books books. As of today we have many eBooks for you to download for free. You can easily search by the title, author and subject. With more than 45,000 free eBooks at your fingertips, you're bound to find one that interests you here. This library catalog is an open online project of many sites, and allows users to contribute books. From romance to mystery to drama, this website is a good source for all sorts of PDF.
