RITUAL VIOLENCE IN THE HEBREW BIBLE EBOOKS 2019

Author: Saul M. Olyan

Release Date: Lanzamiento previsto: @@expectedReleaseDate@@

Although the relationship of the Hebrew Bible and violence has been of interest to scholars in recent years, ritual violence in its various manifestations has been underexplored, as have been the theoretical dimensions of ritual violence. This volume is intended to bring into relief the full range of violent rites represented in the Hebrew Bible, many rarely, if ever, considered before.

The book seeks to explore what acts of ritual violence might have accomplished socio-politically in their particular settings and the ways in which engagement with theory from a variety of disciplines can contribute to our understanding of ritual violence as a phenomenon. It consists of an introduction and eight essays. Topics include cognitive perspectives on iconoclasm, the instrumental dimensions of ritual violence against corpses, the ritual of killing cities ("urbicide"), royal rites of military loyalty, the ends accomplished by the violence against Rechab and Baanah in 2 Samuel 4, material dimensions of the herem and Rwanda genocide compared, the exchange of women among men and its violent dimensions, and Josiah's ritual assault on Bethel. Authors include Debra Scoggins Ballentine, T. M. Lemos, Mark Leuchter, Nathaniel B. Levtow, Susan Niditch, Saul M. Olyan, Rüdiger Schmitt, and Jacob L. Wright.

Nice ebook you must read is Ritual Violence In The Hebrew Bible Ebooks 2019. You can Free download it to your laptop with light steps. AFFINITYREPORTS.COM in easy step and you can Free PDF it now.
